CASE NO.: 240090 JES

FIRST AMENDED AND SUPPLEMENTAL
COMPLAINT TO QUIET TITLE

Action Filed: October 29, 1999
Trial Date: None Set

24 Plaintiff Diamond Farming Company, by leave of court first had and obtained, files this First
25 Amended and Supplemental Complaint (the complaint), pursuant to Code of Civil Procedure sections
26 464 and 473, and alleges as follows:

27 ///

28 ///

1 FIRST CAUSE OF ACTION

2 (FOR QUIET TITLE AGAINST ALL DEFENDANTS)

3 1. Plaintiff Diamond Farming Company is, and at all times herein mentioned was, a
4 California corporation.

5 2. On the date of commencing this action, plaintiff owns in fee that certain real property
6 (the Property) situated in Kern County, California, in or about the unincorporated town of Rosamond,
7 identified as Assessor's Parcels Numbers 359-051-01-00-0, 359-051-02-00-3, and 359-011-28-00-7, and
8 more particularly described in Exhibit A, attached hereto and incorporated herein by this reference. The
9 Property is approximately 320 acres in area.

10 3. The entire Property overlies a body of percolating groundwater (hereinafter called "The
11 Aquifer"), the extent of which is unknown to plaintiff.

12 4. Defendant City of Lancaster (Lancaster) is, and at all times herein mentioned was, a
13 municipal corporation. Lancaster provides municipal water service to customers within its boundaries.

14 5. Defendants Antelope Valley Water Company, Palmdale Water District, Palm Ranch
15 Irrigation District, Quartz Hill Water District, Rosamond Community Service District, Los Angeles
16 County Waterworks District No. 37, Los Angeles County Waterworks District No. 40, and Mojave
17 Public Utility District are purveyors of water to customers in portions of Kern County and/or Los Angeles
18 County.

19 6. Plaintiff is ignorant of the true names and capacities, whether individual, corporate,
20 governmental, or otherwise, of the defendants named in this complaint as "ALL PERSONS UNKNOWN,
21 CLAIMING ANY LEGAL OR EQUITABLE RIGHT, TITLE, ESTATE, LIEN, OR INTEREST IN THE PROPERTY
22 DESCRIBED IN THIS COMPLAINT ADVERSE TO PLAINTIFF'S TITLE, OR ANY CLOUD UPON PLAINTIFF'S TITLE
23 THERETO," and therefore sues these defendants by so naming them, pursuant to California Code of Civil
24 Procedure sections 762.020 and 762.060. These defendants are all persons, except those defendants
25 specifically named in this complaint (including any of those defendants who have been fictitiously named
26 in this complaint as Does 1-200, who are subsequently identified through amendment of the complaint),
27 who claim that they have water rights to extract groundwater from The Aquifer for use (1) on property
28 that does not overlie The Aquifer, and/or (2) on property that that person does not own, and/or (3) for

1 some other non-overlying use superior to, or coequal with, the overlying rights of plaintiff to extract
2 groundwater from The Aquifer and put it to reasonable and beneficial use on plaintiff's property
3 described above. Plaintiff seeks a binding and conclusive judgment against all of these unknown persons
4 pursuant to California Code of Civil Procedure section 764.030.

5 7. Plaintiff is ignorant of the true names and capacities, whether individual, corporate,
6 governmental, or otherwise, of the defendants named in this complaint as Does 1-200, inclusive, and
7 therefore sues these defendants by these fictitious names. Plaintiff will amend this complaint to allege
8 the fictitiously-named defendants' names and capacities when ascertained.

9 8. By virtue of the location of the Property overlying groundwater in The Aquifer, plaintiff
10 holds an overlying water right to groundwater from The Aquifer, entitling plaintiff to extract
11 groundwater from The Aquifer and to put the water to reasonable and beneficiary use on the Property
12 (plaintiff's overlying water right).

13 9. Plaintiff is informed and believes, and on the basis of such information and belief alleges,
14 that each of the defendants currently extracts groundwater from The Aquifer for use on property not
15 overlying The Aquifer, for use on property that the defendant does not own, and/or for some other non-
16 overlying use.

17 10. Any reasonable and beneficial overlying use of groundwater is superior in right to any
18 non-overlying use. Therefore, plaintiff's overlying water right is superior to any rights defendants may
19 have to take groundwater from The Aquifer for non-overlying use.

20 11. Plaintiff is informed and believes, and on the basis of such information and belief alleges,
21 that each defendant claims that it has water rights to extract groundwater from The Aquifer for non-
22 overlying use that are superior to, or coequal with, plaintiff's overlying water right, based on a claim of
23 prescription or other claim in law or equity.

24 12. Plaintiff is informed and believes, and on the basis of such information and belief alleges,
25 that the claim of each defendant to superior or coequal rights to extract and use groundwater from The
26 Aquifer is without basis in law.

27 13. The quantity of superior or coequal rights that each defendant claims is unknown to
28 plaintiff.

1 14. Plaintiff seeks to quiet title to the superior priority of plaintiff's overlying water right
2 against the claims of each defendant to a superior or coequal right to extract and use groundwater from
3 The Aquifer for non-overlying use.

4 15. The determination is sought as of October 29, 1999, the date on which this action was
5 commenced.

6 **SECOND CAUSE OF ACTION**

7 **(SUPPLEMENTAL—FOR QUIET TITLE AGAINST ALL DEFENDANTS)**

8 16. Plaintiff refers to paragraphs 1 through 14, inclusive, of plaintiff's First Cause of Action
9 and incorporates them herein by this reference.

10 17. Following the commencement of this action, plaintiff conveyed the Property to Gestion
11 Fonciere, S.A., a Vaduz Company (Gestion). Gestion leased the Property to plaintiff pursuant to a
12 written agricultural lease for a term commencing on the date on which Gestion acquired title to the
13 Property and ending between November 15, 2004, and December 31, 2004. The lease requires plaintiff
14 to utilize the Property for the growing of its crops. Paragraph 4 of the lease provides in pertinent part
15 that:

16 "[Plaintiff] shall have the exclusive and unrestricted right to access and utilize
17 those pipelines, wells, ditches and reservoirs located on the [Property]. [Plaintiff]
18 may place in its name all utilities serving the [Property]. [Plaintiff] shall have the
19 right to take any action necessary, including court action, against any person
other than [Gestion] to establish and/or preserve [plaintiff]'s unlimited right to
pump water from any present or future wells located on the [Property], for use on
the [Property], during the term of the Lease."

20 Paragraph 4 of the lease further provides that plaintiff may bring the action in its name under any
21 theory deemed appropriate by plaintiff.

22 18. The determination is sought as of the date of filing of this complaint.

23 **WHEREFORE**, plaintiff prays for judgment against defendants, and each of them, as follows:

24 1. For a determination of plaintiff's title against defendants' adverse claims, including a
25 determination that plaintiff's present and future right to extract groundwater from The Aquifer and put
26 it to reasonable and beneficial use on the Property is superior in priority to any rights of each of the
27 defendants to extract and use groundwater, other than for reasonable and beneficial overlying use upon
28 any land such defendant owns which overlies The Aquifer;

1 2. For a determination that plaintiff retains the full range of remedies available to secure and
2 protect plaintiff's overlying water right;

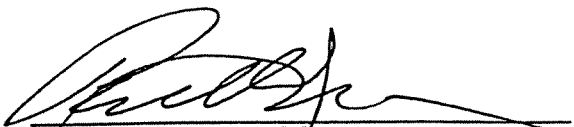

3 3. For an award of reasonable attorney's fees and costs of suit; and

4 4. For such other and further relief as the court deems just and proper.

AND OTHER RELATED ACTIONS.

///

1 FIRST CAUSE OF ACTION

2 (FOR QUIET TITLE AGAINST ALL DEFENDANTS)

3 1. Plaintiff Wm. Bolthouse Farms, Inc., is, and at all times
4 mentioned herein was, a Michigan corporation authorized to do
5 business in the State of California.

6 2. Plaintiff either owns in fee or leases certain parcels
7 of real property (hereinafter individually referred to as a
8 "PARCEL") in the Antelope Valley area of Los Angeles County,
9 California. Each PARCEL is identified by the legal descriptions
10 that are attached as Exhibit "A" hereto and incorporated herein by
11 this reference. Collectively the PARCELS are hereinafter referred
12 to as "PROPERTIES."

13 3. Each PARCEL overlies percolating groundwater, the
14 extent of which is unknown to plaintiff.

15 4. Defendant City of Lancaster ("Lancaster") is, and at
16 all times herein mentioned was, a municipal corporation.
17 Lancaster provides municipal water service to customers within its
18 boundaries.

19 5. Defendants Antelope Valley Water Company, Palmdale
20 Water District, Palm Ranch Irrigation District, Quartz Hill Water
21 District, Rosamond Community Service District, and Mojave Public
22 Utility District, Little Rock Irrigation District, and County
23 Water Works District - City of Lancaster (the "Water Companies")
24 are purveyors of water to customers in portions of Los Angeles
25 County.

26 ///

1 6. Plaintiff is ignorant of the true names and capacities,
2 whether individual, corporate, governmental, or otherwise, of the
3 Defendants named in this complaint as All Persons Unknown,
4 Claiming Any Legal Or Equitable Right, Title, Estate, Lien, Or
5 Interest In The PROPERTIES Described In This Complaint Adverse To
6 Plaintiff's Title, Or Any Cloud Upon Plaintiff's Title Thereto,
7 and therefore sues these Defendants by so naming them, pursuant to
8 California Code of Civil Procedure sections 762.020 and 762.060.
9 These Defendants are all persons, except those Defendants
10 specifically named in this complaint (including any of those
11 Defendants who have been fictitiously named in this complaint as
12 Does 1 through 200, who may be subsequently identified through
13 amendment of the complaint) who claim that they have water rights
14 to extract groundwater for non-overlying use based on rights co-
15 equal or superior to Plaintiff. Plaintiff seeks a binding and
16 conclusive judgment against all of these unknown persons pursuant
17 to California Code of Civil Procedure section 764,030.

18 7. Plaintiff is ignorant of the true names and capacities,
19 whether individual, corporate, governmental, or otherwise, of the
20 Defendants named in this complaint as Does 1 through 200,
21 inclusive, and therefore sues these Defendants by these fictitious
22 names. Plaintiff will amend this complaint to allege the
23 fictitiously-named Defendants' names and capacities when
24 ascertained.

25 ///

26 ////

1 8. By virtue of the location of each PARCEL overlying
2 groundwater, plaintiff holds an overlying water right to
3 groundwater, entitling plaintiff to extract groundwater and to put
4 the water to reasonable and beneficial use on the Property
5 ("plaintiff's overlying water rights").

6 9. Plaintiff is informed and believes, and on the basis of
7 such information and belief alleges, that each of the defendants
8 currently extracts groundwater for use on property not held by the
9 extracting defendant or for some other non-overlying use.

10 10. Any reasonable and beneficial overlying use of
11 groundwater is superior in right to any non-overlying use.
12 Therefore, plaintiff's overlying water rights are superior to any
13 rights defendants may have to take groundwater for non-overlying
14 use.

15 11. Plaintiff is informed and believes, and on the basis of
16 such information and belief alleges, that each defendant claims
17 that it has water rights to extract groundwater for non-overlying
18 uses that are superior to, or coequal with, plaintiff's overlying
19 water rights, based on a claim of prescription or other claim in
20 law or equity.

21 12. Plaintiff is informed and believes, and on the basis of
22 such information and belief alleges, that the claim of each
23 defendant to superior or coequal rights to extract and use
24 groundwater is without basis in law or equity.

25 13. The quantity of superior or coequal rights that each
26 defendant claims is unknown to plaintiff.

1 14. Plaintiff seeks to quiet title to the superior priority
2 of plaintiff's overlying water rights as to each PARCEL against
3 the claims of each defendant to a superior or coequal right to
4 extract and use groundwater for non-overlying use.

5 15. The determination is sought as of the date of filing of
6 this complaint.

7 WHEREFORE, plaintiff prays for judgment against defendants,
8 and each of them, and against all other persons or entities, as
9 follows:

10 1. For a determination that the right of the lawful holder
11 of each PARCEL to extract groundwater underlying the PARCEL and to
12 put such groundwater to reasonable and beneficial use on the PACEL
13 is superior in priority to any and all rights in law or in equity
14 of each of the defendants to extract and use such groundwater,
15 other than for reasonable and beneficial overlying use as an
16 overlying landholder -- in which case such rights would be equal;

17 2. For a determination that the status of each PARCEL is
18 such that the possessory holder of the PARCEL enjoys that full
19 overlying right to extract and put to reasonable and beneficial
20 use groundwater extracted on and used upon the PARCEL;

21 3. For a determination that plaintiff retains the full
22 range of remedies available to secure and protect plaintiff's
23 overlying water rights;

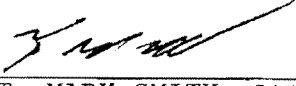

24 4. For an award of reasonable attorneys' fees and costs of
25 suit; and

26 ///

1 5. For such other and further relief as the court deems
2 just and proper.
